

Bell Ringer

34) Dead Words 3

Sometimes using 1st person in an essay is allowed, but when you do, only refer to yourself.

NEVER use the following plural forms of first person:

- We/Us/Let's/Our

Rewrite the following sentences with the dead words removed.

1. Atlanta, the famous city we all know in Georgia.
2. This means we really don't know a place unless we've been there ourselves.
3. We all have our places we would love to see and travel to.
